THE CLARENDON ACADEMY SIXTH FORM: STUDENT GUIDE

Message from the Head of Sixth Form

Dear student,

You have made an excellent decision in choosing to study at Clarendon Academy Sixth Form. I promise you that the teachers and support staff of our school are committed to supporting you as you refine the range of academic and social skills you need to be a success in your future. In my role as Head of Sixth Form, I can also promise that your progress and your welfare will be my priorities for the two years that you study with us.

The next two years will be some of the most memorable and most important years in your life: You will face new and tough challenges in your studies, but you will also become more knowledgeable, more efficient, and more insightful in how you address them. You will encounter new responsibilities and new expectations from the people who surround you, but you will also make new friends and be given every opportunity to prove your potential. You will make pivotal decisions that may affect the rest of your life, but you will also receive support and guidance of the very highest quality. If you value the importance of respect, determination and excellence, your family, your friends, your teachers and – most importantly – *you* will be incredibly proud of what you achieve.

Like the rest of our school, our Sixth Form is shaped by three important principles that I expect every student to aspire to:

Respect: As a school community, we are committed to the ideals of equality and fairness. Our students act with kindness towards their peers, the staff of the school, their parents, and the members of our local community. They aim at all times to adhere to the standards for behaviour, attendance and academic performance set out by the leaders of the school.

Determination: Our students recognise and celebrate the value of hard work. They aim to achieve their very best in whatever task they apply themselves to, whether this be a science experiment, an essay, or a sporting competition. They appreciate that student life can present a number of challenges, but they embrace these as an opportunity to grow and develop.

Excellence: Through their commitment to respect and determination, our students achieve high standards in academic, sporting and community- or charity-based endeavours. Every student in our school aims to secure a future where they can be happy, successful and make a positive contribution to society.

The Sixth Form tutors, teachers, support staff and I are here to listen to you, guide you, and support you. Your voice is valuable: Whether it be a problem, an idea, a solution, a worry, a question or even a compliment, please don't hesitate to share it with us.

I look forward to seeing you succeed in your studies and thrive in our community.

Best wishes,

Mr Mike Griffiths

Section A: Meet the Sixth Form Leadership Team

Head of Sixth Form: Mr Mike Griffiths

Email: mlg@clarendonacademy.com

I grew up in Maesteg, a small town in South Wales, and attended Maesteg Comprehensive School. I studied English Literature, Geography, Biology and French at A-Level before leaving home to study Geography at Oxford University.

At the end of my degree, I spent a year travelling and working in New Zealand and Australia. I have also travelled to China, Tibet, Nepal, Iceland, Norway, Italy, Germany, France – and a whole host of other places.

I began my teaching career at Clarendon as a Newly Qualified Teacher in 2010. Although I originally taught Geography and Sociology, I transferred to English in 2014 and took up the role of Head of English in 2016. I am fiercely proud of the students at Clarendon and I am committed to making the Sixth Form an outstanding place to learn for all students.

Deputy Head of Sixth Form: Mr Danny O'Callaghan

Email: doc@clarendonacademy.com

I grew up in Swindon and went to St Joseph's Catholic Comprehensive School. I studied Geography, Geology and History at A-Level. I went on to do a BSc in Geography at Coventry University and then my PGCE at Bath University.

I began teaching in 1984 at Kingdown School and retired there in August 2019. I was Head of Geography for 27 years. In that time, I have also been Sixth Form Deputy, School Educational Visits Co-Ordinator and an Advanced Skilled Teacher specialising in "E-Learning". More recently, I have been Data Manager for the Sixth Form and then Head of Year 12 and Head of Year 13. In addition to Geography, I have taught Geology, Humanities, ICT and study skills. I am also qualified as a BCU Level 2 Kayak coach and have worked with Duke of Edinburgh groups walking and canoeing for many years. I am determined to make Clarendon Sixth Form the best place to study in the area.

Sixth Form Administrator: Mrs Lisa Maidment

Email: lmm@clarendonacademy.com

I was born in Dorchester, Dorset, but eventually moved and attended both The George Ward School in Calne and Chippenham College.

I have had a wide variety of roles in the past: For example, I was a Senior Tutor in English, Maths and ICT at an adult training centre in Chippenham, and eventually became the Deputy Centre Manager. However, I have also been a full-time nanny, a private Maths tutor and an exam invigilator.

Outside of school, I enjoy walking and exploring the countryside. I am a real animal lover: I currently own a 15 year old New Forest pony, along with a 2 year old Gypsy cob which I fostered from the Blue Cross centre in Burford. I also have a 7 year old Sprocker and a 15 year old cat.

Section B: Studying in the Sixth Form

Subject Lessons:

You will have nine hours of timetabled lessons in each of your subjects per fortnight (or eighteen hours for double options). It is essential that you attend all of these lessons so that you make progress in your subjects and achieve your potential.

In each subject, you will be given a **two-year learning plan** and an **academic calendar**:

Two Year Learning Plan: This outlines the content and skills you will learn in your lessons across Years 12 and 13.

Academic Calendar: This outlines when each topic / module will be delivered throughout the year, as well as the dates of any assessments, homework tasks and mock exams.

It is important that you keep these documents safe in a folder. Your teachers will refer to them regularly, so you should be able to access them in every lesson.

Personal Learning Checklists (PLCs):

You will receive a **personal learning checklist (PLC)** for each topic or module that you study in each of your subjects. These are a place for you to record your **minimum expected grades (MEGs)** and the progress that you are making.

These documents are very important: they will provide you with a clear reflection of which topics or skills you excel in, and the areas you need to improve in order to succeed in your exams.

It is your responsibility to ensure that they are kept up to date. Your tutor will check your PLCs as part of their academic mentoring sessions in tutor time, and teachers will check them in lessons.

Study Sessions:

Alongside your lessons, you will be allocated a number of study sessions across your timetable. These sessions are intended to support you with independent learning outside of lessons and with the completion of homework. Attendance at these sessions is compulsory. They will take place in AG3.

Students who demonstrate that they are capable of managing their time effectively and who are making good progress across the range of their subjects may be rewarded with **flexible study**. Students who qualify for this will have access to AG1 and will be able to choose the periods in which they study. If a student who qualifies for flexible study experiences a decline in the quality of their work or organisation skills, then this privilege may be revoked.

Homework:

You will be set homework on a regular basis by each of your teachers. Homework is even more important at this stage of your education than at GCSE: It will consolidate your learning from class, and help you deepen your knowledge and understanding of the most important topics or issues in

your chosen subjects. You must complete homework to the deadlines set by your teachers and to the highest possible standards. This will be closely monitored by tutors and the Sixth Form leadership team.

Future Pathways Education:

Once per fortnight, you will take part in a future pathways lesson with Mr Griffiths. The aims of these lessons are as follows:

- To introduce you to the variety of options available to all students after Sixth Form, including university, apprenticeships and careers.
- To improve your awareness of different types of careers and their availability at local, regional and national scales.
- To prepare you for work experience in term 6 of Year 12.
- To help you plan your own future pathway.
- To develop your interview and presentation skills.
- To support you in creating an appealing personal statement / cover letter and CV

Free Lessons:

Each student in the Sixth Form has approximately ten 'free' lessons per fortnight. You are free to decide how you use this time: you can continue to study, relax with friends in the common room, help support an extra-curricular activity, or support a group of younger students in lower school.

For each of your free periods, you must report to AG1 and sign the register kept by Mrs Maidment. Failure to do so will affect your attendance and is considered a tier 1 offence.

Rewards:

At Clarendon, we believe in rewarding our students for demonstrating the values of respect, determination and excellence.

You teachers can reward you with points for respect, determination or excellence based on the work you produce and your conduct in lessons. The points you earn will be collated at the end of each term and will make you eligible for the following rewards:

50 points: Sweets

100 points: Afternoon Tea

150 points: Film and Food

200 points: Domino's Pizza Lunch

250 points: Starbucks Voucher

300 points: Nando's Lunch

Home Study:

The school environment is designed to support independent study. As such, home study periods are only granted under exceptional circumstances and only to Year 13 students after Christmas. Students who believe they may benefit from home study should arrange an appointment to discuss this with Mr Griffiths.

Section C: Tutoring in the Sixth Form

Year 12 Tutor Team:

Mr Thomas Dalby
Mrs Francesca Roach
Miss Toni Larby

tsd@clarendonacademy.com
flr@clarendonacademy.com
txl@clarendonacademy.com

Year 13 Tutor Team:

Mrs Jane Thrower
Mr Kurt Williams
Mrs Claire Hidalgo-Curtis

jdt@clarendonacademy.com
kxw@clarendonacademy.com
ceh@clarendonacademy.com

Sixth Form tutors have the following areas of responsibility:

1. Overseeing the academic progress of their tutees, including the completion of homework and independent work in study sessions
2. Monitoring the attendance and behaviour of their tutees
3. Supporting their tutees in maintaining good mental and physical health
4. Encouraging and supporting their tutees to engage with extra-curricular activities

These responsibilities are reflected in the weekly programme of activities you can expect to undertake in tutor time. Some of these activities are delivered by tutors, whereas others are completed independently by students:

	Tutor	Students
Monday	Mentoring	Year 12 and Year 13 Assembly in AG2*
Tuesday	Attendance and Behaviour Review	Study Admin
Wednesday	Wellbeing Wednesday (PHSE)	Wellbeing Wednesday (PHSE)
Thursday	Mentoring	The World Today
Friday	Action Groups	Action Groups

One of the newest features of the tutor programme is **action groups**. These provide all our students with the opportunity to pursue a range of extra-curricular interests and activities with the guidance and support of a member of the Sixth Form tutor team. The membership of these groups is drawn from Years 12 and 13; as such, they provide a space in which students can develop wider friendship groups. They also provide an opportunity for all students to demonstrate and develop communication, organisation and team-work skills.

In September, you will be invited to choose an action group that you will attend for the rest of the academic year. The exception is the Student Voice group: Different students are invited to attend this group by Mrs Maidment on a weekly basis.

The action groups for 2020-21 are outlined in the table below:

Group Name	Lead Staff	Aims	Assembly Slot
Sports and Fitness	TSD	<ul style="list-style-type: none"> To promote health and fitness amongst the members of the Sixth Form To facilitate access to sport-based facilities and to organise sporting events and activities for all students 	Term 3
Sixth Form Social	CEH	<ul style="list-style-type: none"> To organise a range of fun social events for all Sixth Form students 	Term 2

Section D: Attendance and Punctuality

Attendance email address:

6fattendance@clarendonacademy.com

The following rules apply to attendance and punctuality in the Sixth Form:

- All students are expected to achieve an attendance of 95% or above. This is to ensure that you receive the high standard of teaching and support required to be a success in your subject choices.
- You must ensure that you arrive in school at 08:45am for tutor period.
- You must register for each period:
 - If you have a lesson, you will be registered by your teacher.
 - If you have a study session or a free period, you must register with the member of staff supervising in AG3.
 - If you have a lesson at John of Gaunt, you must follow the procedure outlined below.
 - If you have arranged to work or contribute in another area of the school, such as Performing Arts or PE, the teacher supervising you will need to register you or email the member of staff supervising in AG3.
- You are not permitted to leave the school site during the school day, unless this is to attend a lesson at John of Gaunt or in other exceptional circumstances (e.g. a dental appointment).
- If you are unable to attend school for any reason, you must send a message to the email address above with the details of your absence. If you are unable to send an email, please telephone the school on 01225 762686 instead.
- Your tutor will review your attendance and punctuality on a weekly basis.
- Truancy and poor punctuality is treated as a tier 1 offence. Please see the section on 'Attitude to Learning and Behaviour in the Sixth Form' for details on how this will be addressed.
- If your attendance falls below 95%, you will be required to attend a meeting with Mr Griffiths in which the reasons for your poor attendance will be explored. If you require any additional support in order to improve your attendance, this will be arranged in this meeting.

Holidays:

You **must not** arrange holidays during term time. Such absences will be treated as **unauthorised** and, depending on the degree of subject content missed, may call into question your entry for examinations and jeopardise your place in the Sixth Form.

It is important to note that most references for employers/Higher Education require data about attendance and punctuality. It is therefore essential to maintain an excellent attendance record that we may refer to upon any requests for a reference on your behalf.

(Year 13 Only) Movement between Clarendon and John of Gaunt:

In order to guarantee your safety and wellbeing, we need to carefully monitor the movement of students between Clarendon and John of Gaunt.

If you have lessons at John of Gaunt, you will need to follow the following procedure:

1. Sign out at reception using the Sixth Form sign out book.
2. Walk quickly and directly to John of Gaunt and enter via the back gate. You will need to do this via the fingerprint identity system that operates here.
3. At the end of your lesson, return quickly and directly to Clarendon.
4. Sign back in at reception.
5. If you want to remain at John of Gaunt to study, you must email 6fattendance@clarendonacademy.com to inform the Sixth Form team of this. This must be done before 9:05 on the day you wish this to take place.

If you do not sign out or sign in, we will contact you via your mobile phone to confirm your whereabouts. If you do not answer your mobile phone, then we will contact your parents.

Failure to adhere to this policy will be treated as a tier 1 offence.

Section E: Sixth Form Uniform

We have chosen to adopt uniform in the Sixth Form because it supports our students in maintaining a professional appearance. It also helps to create a more inclusive environment in which individuals are not judged according to the clothes they wear.

The details of the Sixth Form uniform are provided below. Please note that blazers are available to purchase from 'Scholars' in Trowbridge town centre.

- Grey Sixth Form Blazer
- White shirt, blouse or smart top
- Tie of own choice
- Black trousers (no jeans) or skirt
- Suitable smart footwear (no trainers)

Section F: Senior Student Leaders

The students of the Sixth Form are represented by six Senior Student Leaders. The role lasts between term 6 in Year 12 to term 4 in Year 13.

In term 5 of Year 12, you will be invited to apply for a position as a Senior Student Leader. Six positions will be made available: two head students, and four deputies.

The role of a Senior Student Leader is focused in three areas:

- Representing the school and the students
- Engaging with the local community and charities
- Improving the quality of student experience in our Sixth Form.

This includes the following duties:

- Meeting weekly with Mr Griffiths to discuss projects and events linked to the Sixth Form.
- Leading and representing the Sixth Form on the Clarendon Student Council.
- Organising at least one charity or community event per term.
- Attending important school events, such as the Christmas Concert and Achievement Evening, and helping to host guests to the Academy.
- Working with other Sixth Form students to improve the quality of their environment and extra-curricular provision.

There are a number of benefits to being a Senior Student Leader:

- It will allow you to make a genuine difference to your school and the Sixth Form
- It will improve your skills, especially organisation, teamwork and leadership
- It looks great on a CV or a university application
- It will provide you with experience to discuss in university and/or job interviews

Please speak with Mr Griffiths if you would like to know more about the role of Senior Student Leaders or the application process.

Section G: Attitude to Learning and Behaviour in the Sixth Form

Sixth Form students are role models to younger students in The Clarendon Academy. You are expected to conduct yourself with kindness, courtesy and integrity at all times.

Our expectations of behaviour in the Sixth Form are based on the same core principles as in Years 7-11, which are outlined in the table below:

Tier 1	Tier 2	Tier 3	Tier 4
<p>We eat in the correct places and put our rubbish in the bins provided</p> <p>We follow the school rules on chewing gum, mobile phones and headphones</p> <p>We wear our uniform correctly and with pride, to show that we are part of the Clarendon community</p> <p>We stay on task in class and try our best in everything we do, including homework</p> <p>We know where we should be and get there on time, especially when travelling to and from John of Gaunt.</p> <p>We bring the equipment we need to school, including books and homework</p>	<p>We accept the decisions of our teachers and other staff and are polite to everyone in the school community, including visitors</p> <p>We try to resolve issues with our peers without fuss, and we do not make situations worse by poor choices</p> <p>We are responsible citizens online and do nothing to cause distress to others or damage the school's reputation</p>	<p>We recognise that everyone in our school community should feel safe and free from threat, and should be able to come to Clarendon without being subjected to offensive behaviour or language</p> <p>We respect that tobacco, alcohol, dangerous items and drugs have no place in the Clarendon community and are not permitted on or near the school site</p> <p>We respect that the school day should run smoothly without interruption, so that everyone can learn and work in a calm environment</p>	<p>We recognise that following Tiers 1, 2 and 3 is a commitment made by all members of Clarendon, and that everyone's place at the school is based upon agreeing to this.</p>

Isolated incidents that represent a failure to follow any of the positive behaviours outlined in tier 1 will be addressed by your subject teachers or your tutor. This is likely to involve a conversation and an agreement about how you will make positive changes to your behaviour.

Repeated failure to adhere to the positive behaviours outlined in tier 1 will be addressed by your tutor. This process will involve the creation of a **conduct agreement**, which will outline the following:

- The changes you should make to your behaviour in order to (a) support your progress, or (b) help you meet the high standards required of all Sixth Form students.
- The evidence required to demonstrate that these changes have been made.
- A timeframe in which these changes are to be achieved.
- Details of a **restorative justice** conversation that you will be expected to have with the member(s) of staff who raised concerns about your behaviour.
- Any additional support that your tutor believes you need.

It is important to realise that this process is intended to support you: The standards of behaviour expected in the Sixth Form are high because we want you to succeed.

If you continue to fail to make improvements to your behaviour, or if the changes to your behaviour prove to be only temporary, then a new conduct agreement will be initiated by Mr Griffiths. Your parents or guardians will be asked to attend the meeting in which this agreement is made. This process will also begin immediately following any failure to adhere to the standards outlined in tiers 2 or 3.

If you fail the behaviour agreement made with Mr Griffiths, or if you behave in a manner that reflects a failure to meet the standards outlined in tier 4, then a final attempt to support you will be made via a panel of Senior Leaders. Your parents or guardians will have to be present at this meeting. Failure to make changes at this stage will likely result in your being asked to leave the Sixth Form.

Section H: Wellbeing and Finance

Mental Health:

According to recent NHS statistics, one in eight young people aged between 5-19 are experiencing problems with their mental health. At Clarendon Academy Sixth Form, we recognise the importance of maintaining good mental health and endeavour to provide all of our students with appropriate support when they experience mental health difficulties.

There are a number of people who can help you in school if you believe you need support with your mental health:

Your tutor: An important part of your tutor's role is looking after your wellbeing. Speak to them if you have any concerns about your mental health. They will listen to your concerns and help direct you to professional sources of support.

Listening Point: This is a service that allows students to book appointments with Mr Griffiths to discuss any concerns or worries they might have. These concerns do not have to be linked to school; they can also be to discuss your life outside of school. Appointments are available throughout the week. All matters discussed in these meetings are treated as being private and confidential, although Mr Griffiths will need to inform the school safeguarding team if he has any concerns about the wellbeing of a student.

If you would like to book a Listening Point appointment, please email Mrs Maidment: imm@clarendonacademy.com.

External Help: If you would rather seek guidance and support outside of school, then please contact your doctor and make an appointment. A range of charities also provide mental health support to young people. A selection of these charities and their websites are provided below:

Name: Kooth

Website: kooth.com

Name: Get Self-Help

Website: getselfhelp.co.uk

Name: Mind

Website: mind.org.uk

Name: Young Minds

Website: youngminds.org.uk

Managing Part-Time Work and Study:

If you have a part-time job, you are strongly advised to limit your working hours to 8 hours per week. Working for more than this is likely to have a negative impact on your progress in the Sixth Form. **All employers have a duty of care to their young employees to ensure that the time they spend in work does not impact negatively on their studies.**

If you feel that your employer is pressurising you to work too many hours, or if you are unhappy about the way you are being treated, please discuss this with your tutor or Mr Griffiths. We are happy to speak with your employers on your behalf. Please be reassured that this will be done in a professional manner: We will not seek to compromise your relationship with your employer, although we may make them aware of how you are finding it difficult to manage your work and study commitments.

16 - 19 Bursary Fund Scheme:

You may be eligible for financial support if you meet any of the following criteria:
